Article 4 Meetings

4.1 Annual General Meeting

The Annual General Meeting of the League shall be held between seasons, not later than November 30th. The Secretary shall circulate notification of a General Meeting and the agenda, together with minutes of the last meeting, shall be circulated to all members by the Secretary, at least two weeks prior to the meeting. The quorum for all such meetings is four times the number of Full Membership Clubs. Only named members of Full Member Clubs shall count towards the quorum and have a vote. These names shall be taken from the club rosters as submitted to the League Secretary. Additions to the roster may be made until one week before the General Meeting. Written proxies received by the Secretary can nominate a member attending the meeting to exercise a vote on behalf of an absent Full Member. No voting member present may exercise more than two proxy votes. Proxies must also be on the club rosters.

4.2 General Meetings

A General Meeting of the Club may be requested by one or more voting members by application in writing to the Secretary. The calling of a General Meeting in response to such a request is subject to the approval of the Management Committee, except that the Management Committee must call a General Meeting if requested by five or more voting members. A General Meeting held at the request of members shall be held within six weeks of the receipt by the Secretary of such a request. Such General Meetings shall be called and held in accordance with the procedures of Section 4.1 above.

4.3 Management Meetings

The Management Committee shall in principle meet during the four week period immediately prior to each League General Meeting and the first week of each month from April through October, if requested to do so by any member of this committee. Failing such request, the Secretary shall consult with the President to determine the need for a meeting. The Secretary is responsible for notifying the other members of the Committee if a meeting is to be held. A quorum shall be three. Meetings may be conducted by phone conference. A member holding dual membership of the Management Committee shall count two towards the quorum, but shall have only one vote. Written proxies received by the Secretary can nominate a Management Committee member attending the meeting to exercise an absent Committee member's vote.

Article 5 Amendments

5.1 Constitutional change

Any amendment to the Constitution or Bye-laws must be submitted to a General Meeting of the League. Members wishing to make a proposal must do so on the League form, which can be obtained from the Secretary on request. Proposals must be submitted to the League Secretary at least three weeks before the General Meeting at which they are to be discussed. The Secretary shall distribute the wording of any proposed change, in writing, to all members at least two weeks prior to the General Meeting at which it is to be discussed. At the General Meeting, the proposed amendment shall be read by the Secretary, and voting members present may propose amendments to the proposal at this time. Amendments appropriate minuted from prior General Meetings, but not having satisfied the two week requirement, and approved by the required two-thirds of the voting members shall become part of this Constitution or Bye-laws, subject to the conditions above. The League Management Committee has the responsibility to verify that any changes in wording do not change the intent and spirit of the amendment. The proposal, with any amendments shall become part of the Constitution or Bye-laws, if approved by at least two-thirds of the voting members present and their proxies, at end of that meeting. Once voted in, the Secretary shall read the final version of the proposal, as it will appear in the Constitution or Bye-laws.

For certain complex issues, it is sometimes not possible to understand the full implication of implementing it, until such issues are further investigated by a separate committee, and the consequences are completely understood. In such cases, the issues in question presented for voting at a General Meeting can be deferred to the League Management Committee for investigation and subsequent approval or rejection. The decision to defer the issue to the League Management Committee shall be decided by a vote at a General Meeting.

5.2 Rule maintenance

The Management Committee shall maintain League Rules, subordinate to the Constitution and Bye-laws, governing everyday League affairs. Additions and changes to League Rules shall take effect two weeks after their circulation to all members following their approval by the Management Committee.

Article 6 Dissolution

In the event of dissolution of the League, any residual funds shall be donated to a charity selected by the Management Committee subject to approval by a General Meeting.
