PROPOSALS DISCUSSION/VOTING DETAILS

S.NO	Proposed By (Club Name)	Proposal Details	Voting	Status Yes-No-Abstain
1.	CCCC	Increase T20 umpire's fee to \$30 and P40 umpire's fee to \$50 1. Reasoning: The hope is that the fee increase will increase umpire sign-ups.	Yes: CCB, CCCC, DDCC, FCCC, LCC No: BCC, CCCC, DCC, RCC, FRCC	No Change to this Rules 5 vs.5
2.	CCCC	Change the T20 match ball to the one currently used in the 2018 P40s 1. This year's T20s balls was basically unusable in a wet field. The ball bloated up after soaking the water and "pimples" developed on the surface. C4 will be OK with an alternate white 4 pc ball but don't have ideas on a good and specific alternative.	Yes: BCC, CCCC No: CCB, FCCC, LCC, and DDCC, CCCC, DCC, FRCC and CCCC	Fail 2-8-0
3.	CCCC	CCCC- Drinks breaks (game rules) 1. If the temperature during an innings in a P40 game exceeds 95F then allow a drink break every 10 overs. The total break time for the match can still be capped at the same limit (drinks + lunch break). To keep things common for both teams, the extra drinks break should be applied to both innings. This can be added to Rule 5 of the CCL Game Rules Doc.	Yes: CCCC, CCB, FCCC, LCC, DDCC, CCCC, DCC, FRCC and CCCC and RCC No: none Abstain: BCC	Pass 9-0-1
4.	CSCC	Two Divisions - Part 1 – Split • Implement two T20 divisions within CCL. Within each division, each team will play every other team twice – one home game and one away game, followed by playoffs. • Rules for splitting the divisions:	Yes: CCCC, CCB, FCCC, LCC, DDCC, CCCC, DCC, FRCC, CCCC, BCC No: none Abstain: None	Pass 10-0-0
5.	CSCC	Two Divisions - Part 2 – Implementation <i>Added an amendment to this proposal by CSCC, i.e. #5 and voted on it</i> 1. Implement the two divisions as proposed. CCCC-Gold and FRCC-B will drop to Div 2 and DDCC and BCC will move up to Div 1 based on 2018 ranking. 2. Implement the two divisions after polling the four teams involved (CCCC-Gold, FRCC-B, DDCC and BCC). If two of the four teams involved agree to play in Div 2, then go with this option. 3. Implement the two divisions but have CCCC-Gold, FRCC-B, DDCC and BCC play a round robin at the start of the season. Top 2 play in Div 1 and bottom 2 play in Div 2. The relevant game result (one of the three games played by each team) will become a part of their league games other two game results will be discarded. 4. Keep the same ranking as 2018 (no relegation	Yes: BCC, CCCC, DCC, DCCC and RCC No: CCCC, FCCC, FRCC and LCC Absent: FRCC	Pass 5-4-1

A team should be allowed to play a new player in the playoffs, if he has played any league game for the club during the current season. 2. If a player has not played for the club in the current season, the team must request an approval from the LMC after providing the player's past playing history (including other leagues he may have played in). 		tough to play and stop the leather ball, because the players hands became so sensitive due to the coldest weather. There is really high chances for injuries. Do we really need this much risk. Please think about this.	Absent: FRCC	
14	DDCC	DDCC - Umpires need to enforce the ground measurement rules strictly before the start of the game 1. Reason: We noticed couple of home team clubs are keeping boundary distances too less.	Yes: DDCC and FCCC No: BCC, CCCC, CCB, DCC, LCC, RCC and CSCC Absent: FRCC	Fail 2-7-1
15	DDCC	Format Let's continue the last year format and inform every team about next year format (Division1 and Division2 group structures)	Not Voted on Please Refer to Proposal#5 above about format/divisions	N/A
16	FCCC	CCL Game Rules document: Section 6, CCL exceptions => Update point#10 1. To read as "The umpires call wide balls if the ball is not bowled within the special markers: 36 inches outside the off stump and anything outside the leg stump (PROVIDED the ball does not pass between the batsman and stumps). 2. Reason: This was already communicated to LMC earlier this season, but needs to be formalized in the rules book to prevent confusion in the coming seasons. This update prevents the umpire from being forced to call a wide if a batsman backs away to the leg to make room, and bowler follows him to cramp him up	Yes: DDCC, FCCC, BCC, CCCC, CCB, DCC, LCC, RCC and CSCC No: None Absent: FRCC Note: CACU to update the rule book	Pass 9-0-1
17	FCCC	CCL Game Rules document: Section 6, CCL exceptions => Add to point#10 (CCL wides) 1. In case of a SWITCH-hit (switch only, NOT reverse-hit), both sides be treated as off-side for the purposes of determination of wides. 2. Reason: It is already done at ICC level where a batsman can "convert a previously unreachable delivery into a reachable one by switching", but since CCL does not decide wides based on "reach", we have no provision to deal with switch hits. Most CCL umpires already DO consider both sides as off-side for a switch-hit. While that makes sense, it is actually currently AGAINST the CCL rules to do that. This proposal merely aims to make official, something which is logical, and is already happening.	Yes: DDCC and FCCC, BCC, CCCC, CCB, DCC, LCC, RCC and CSCC No: None Absent: FRCC Note: CACU to update the rule book	Pass 9-0-1
18	FCCC	New players during playoffs 1. Last AGM's proposal of not allowing new players during playoffs. If this rule is not completely removed based on some other proposal, then it should be updated with the following exceptions 2. -Not applicable if the team in question is not in the race for championship 3. Not applicable for teams in plate league 4. Not applicable if the player's last game in the format was for the team in question (so the player is already part of the team from previous seasons, but just hasn't played THIS season) 5. Reason: Last year, we may have been a bit hasty in approving this rule without considering the possible ramifications. That	Yes: FCCC, LCC, BCC and CCB No: CCCC, DCC, DDCC, CSCC, DDCC Absent: FRCC	Fail 4-5-1

		came back to bite us in the ass this year, with many teams struggling to form their starting XI during playoffs. This proposal attempts to give the teams a wider leeway while still acknowledging the original basic reason why this rule was proposed in the first place (i.e. to prevent any team from bring in ringers during playoffs and affecting the outcome of the championship)		
19	FCCC	Ball Change	Not Voted on. To be Discussed on LMC.	N/A
20	FCCC	Introduce a second T20 championship for clubs not playing P40 1. Reason: Many players feel that playing both P40 and T20 is too much cricket, and playing only T20 is too little. A second T20 championship would be a happy medium. Games for this championship could be held on the same weekends as the P40's. So those clubs that want to play P40, can play a P40 championship, and those that don't, they can play the second T20 tournament	Yes: FCCC No: CCCC, CCB, LCC, DDCC, CCCC, DCC, FRCC and CCCC Abstain: BCC	Fail 1-8-1
21	FRCC	Umpiring assignments 1. Umpiring assignments should be evenly assigned over the whole season so that teams should not get it in bunch. During the end of the season this year some teams were umpiring almost every weekend just to make the number equal for each club. It will be easier for the clubs to find umpires if its evenly assigned.	Not Voted on. EC to Follow up with FRCC.	N/A
22	FRCC	Overrate Information by Umpires 1. Umpires should talk and inform the Captain at the end of every match that what's being reported to CACU, whether it's slow overrate or any other penalties. 2. This is coming from my personal experience; some umpires have the habit of not saying anything and being all friendly after the game on the field but they report overrate delays and some other incidents in their Umpiring report which the Captain is not aware of and the clubs are being fined by CACU	Not Voted on. EC to Follow up with FRCC.	N/A
23	LCC	Games Rules – Start Time 1. Start all the T20 games from May to September at 8:30 AM and have three T20 games played in a day. The cutoff time should be extended till 7 PM. First game at 8:30 AM, second game at 12:00 noon and 3rd game at 3:30 PM. In April and October, the games should start at 10 AM.	Not Voted on. Proposal withdrawn by LCC.	N/A
24	LCC	Games Rules – Start Time 1. Start all P40s from May to September at 9:00 AM. We have seen games get washed out due to PM thunderstorms. Starting at 9:00 AM will avoid that. In April and October, the P40s can start at 10 AM.	Yes: CCCC, FCCC, LCC, CCC and CCCC No: BCC, DCC, DDCC and RCC Absent: FRCC	Pass 5-4-1

25	LCC	Games Rules – Drinks Breaks <ol style="list-style-type: none"> Cut the drinks break for T20 after 10th over and have two 2 minutes breaks after 8th over and 15th over. Players have to stay in the field during the breaks. Total per innings time should be 95 minutes and total game time should be 200 minutes including 10 minutes innings break. 	Yes: CCB,LCC,BCC, DDCC No: FCCC, CCCC, DCC, CSCC and RCC Absent: FRCC	Fail 4-5-1
26	LCC	CCL or CACU Penalties <ol style="list-style-type: none"> Any penalty, that cannot be applied in the current season, will be carried over to next season. For example, if a team does not send umpire for the playoff games, the point deduction will be carried over to next year for the same format for which they didn't send the umpire. If a team doesn't send an umpire for a P40 semifinal game, they will be starting with "-1" point next P40 season. If that team doesn't play P40 next season, that point deduction will happen to the other format they'll play. 	Yes: DDCC and FCCC, BCC, CCCC, CCB, DCC, LCC, RCC and DDCC No: CCCC, BCC Absent: FRCC	Pass 7-2-1
27	LCC	Games Rules – Constituting a game <ol style="list-style-type: none"> For a P40, to constitute a match, a minimum of 15 overs have to be bowled to the side batting second, subject to the innings not being completed earlier. For a T20 game, to constitute a match, a minimum of 5 overs have to be bowled to the side batting second, subject to the innings not being completed earlier. 	Yes: CCB, LCC, RCC, DDCC and DCC No: CCCC, BCC, FCCC, CSCC Absent: FRCC	Pass 5-4-1
28	RCC	Formats <ol style="list-style-type: none"> P40 Format Change: Change P40 format into two innings. Each team will play 20 Overs for an Innings. Example: Team A Vs Team B o First Innings – New Ball Team A won toss and elected to bat and Team A will bat for 20 Overs Team B will bat for 20 Overs o Second Innings – New Ball Team A will bat for 20 Overs -<i>Start New Innings</i> Team B will chase the target for next 20 Overs -<i>Start New Innings</i> <u>Reason:</u> While playing P40 we are seeing less teams participate in this format. This change may attract more teams to participate in P40. If you analyze for last few years of P40 game, we may find more games didn't last for entire 40 overs. This format may bring change to dimension. Make P40 more interesting and fun. <p>We will elaborate more in detail such as rules, cost ariation, time management etc. as next step</p>	Yes: RCC No: CCCC, CCB, FCCC, LCC, and DDCC, CCCC, DCC, FRCC and CCCC Absent: FRCC	Fail 1-8-1
29	RCC	Scheduling <p>Schedule only two T20 games per day in same ground; Similarly schedule only one P40 game for any given day in that ground</p> <ol style="list-style-type: none"> <u>Reason:</u> There are number of reason which constitutes for this proposal - Ground conditions being wet especially 	Not Voted on Note to CACU/Scheduler	N/A

30	RCC	<p>First game in Longmont should start at 10 AM</p> <ol style="list-style-type: none"> Reason: Bad ground conditions during sprinklers early in the morning. This leads to damage in ball and must be changed at mid-innings. 	<p>Yes: RCC, DCC No: CCCC, CCB, FCCC, LCC, and DDCC, CSCC, BCC and CSCC Absent: FRCC</p>	Fail 2-7-1
31	RCC	<p>Don't consider scheduling any games if mat is deteriorated</p> <ol style="list-style-type: none"> <u>Reason:</u> Lincoln ground in 2018 season <u>Amendment:</u> Applies to all grounds <u>Amendment#2:</u> Umpires decide if the mat in mad conditions to play 	<p>Yes: RCC, BCC No: CCCC, CCB, FCCC, LCC, and DDCC, CSCC, DCC and CSCC Absent: FRCC</p>	Fail 2-7-1
32	RCC	<p>Have two schedulers for CCL Scheduling</p> <ol style="list-style-type: none"> <u>Reason:</u> With growing number of teams each year and less number of grounds available for us in Colorado, scheduling games is the most complex job to be performed. We would like to propose to have second scheduler role to balance the load of job and back-up each other for entire season. 	<p>Yes: RCC, BCC, DCC No: CCCC, CCB, FCCC, LCC, and DDCC, CSCC and CSCC Absent: FRCC</p>	Fail 3-6-1
33	CCL-EC	<p>FROM Satya – Team Registration</p> <ol style="list-style-type: none"> The Clubs has to register their Participation before Dec 31st End of the year for Next Season. This Gives the Clubs the time they need to Plan well for the Season that would start in April/May of Next Year. It make easy for the EC/CACU to Forecast the Season and plan the tournament accordingly. 	<p>Yes: none No: BCC, CCCC, CCB, CSCC, FCCC, DCC, LCC, RCC and DDCC Absent: FRCC</p>	Fail 0-9-1
34	CCL-EC	<p>FROM Satya – Penalties</p> <ol style="list-style-type: none"> Every Club has to clear out their Penalties before Dec 31st of that corresponding year. CCL is Non Profit Organization now and its important to keep the Books clean. In this regard, the Financials has to be closed by Dec 31st of every year. Hence the Clubs should not have any Dues by end of the year. 	<p>Not Voted on. Rules are in place.</p>	N/A
35	CCL-EC	<p>FROM Satya – Sponsorship from Clubs to CCL</p> <ol style="list-style-type: none"> Provide Benefits to Clubs who bring in the Sponsorship to CCL from Clubs by sharing the Sponsorship amount by 60/40 - 60 to CCL and 40 to Club for their Dues and Penalties. 	<p>Not Voted on. EC to follow up with Satya to get more information.</p>	N/A
36		<p>FROM Satya – Mandatory Initiatives from each Club in AGM</p> <ol style="list-style-type: none"> Each club has to come up with at least one Mandatory Initiative for the year during the AGM that can be accomplished. LMC will vote for those in the AGM and CCL will support the Initiative. 	<p>Not Voted on. It has been passed already and find a way to implement this.</p>	N/A
