Cricket at the Rocky Mountain State Games

The **Rocky Mountain State Games (RMSG)** is Colorado's largest multi-sport festival for athletes of all ages and athletic abilities, including those with physical disabilities or visual impairment. The **2019 Rocky Mountain State Games** were held on **July 20-21 & 27-28**, primarily in Colorado Springs, Colorado.

Cricket has been a part of the games since 2013. Both leather ball and tennis ball cricket tournaments were held over the two weekends.

15 teams participated in the tennis ball tournament and 8 teams participated in the leather ball tournament. Both events were T10 format.

Leather Ball Tournament: LCC, FRCC, RCC and YCC were placed in group A and CSCC Stars, DCC, CSCC Rising Stars and CCL Combined XI were placed in Group B. Each team played the other three teams in the group. FRCC finished at top of Group A with an unbeaten record. LCC were second, in a tight race with RCC. In Group B, CSCC Stars were the toppers followed by DCC. In the semi finals, FRCC overcame DCC while CSCC Stars overwhelmed a second string LCC. In the finals CSCC Stars beat FRCC to lift the trophy. Featured Club -

Yorkers Cricket Club (YCC)

YCC was founded in 2012 by a few enthusiastic players and since then has been around Broomfield and Louisville area. Our aim is to make the game of cricket more accessible to the local community irrespective of the cricketing skills or age. Longmont is our home ground and the team practices on Tuesdays (2019 season and day may change in the future).

YCC's vision - While we do strive to be competitive on the field of play, the social aspect of the club is also extremely important to us. You'll find lasting friendships very easy to come by at our club. Opinions of all members will be actively encouraged and all those connected with the club will work collaboratively and collectively making Yorkers Cricket Club a proud and passionate place to belong.

YCC made full season debut in 2012, participated in T20 and P40 competition. With any new club, YCC faced several challenges first year – practice ground, players and experience playing with the leather ball. But collective effort from the club members ensured we overcame those challenges. In the debut season, YCC managed to win only one match but came close to win at least two more matches. It was a great learning experience for the players rubbing shoulders against more established clubs in

CCL.

2018 season was by far the most successful season in YCC's history –

- Securing place in the top 4 teams in T20 DIV II.
- A strong batting performance by Thushara (287 runs, 1 fifty) and Sandeep Mishra (256 runs, 2 fifties) ensured first time in club history two batsmen scoring over 250 runs in the season and multiple fifties.
- The bowling lead by Thushara (17 wickets), Aniruddha (17 wickets) and Sudhir (13 wickets) contributed to team's success.
- Thushara became the first YCC bowler to claim 5 wickets in an inning against CCCC Green.

Over the last 7 years, tireless efforts of Aniruddha Deshpande, Naval Bal, Sudhir Rayapureddy, Sandeep Mishra and Shankar Ayyalasomayajula, the key members of the club have ensured YCC remained part of the CCL as well as spreading the vision of YCC. YCC has been fortunate to get guidance and active support from its trusted advisor Bharat Kotla. He believed in YCC's vision and help us enroll talent from CTCL.

Building on the 2018 success, YCC aspires to field a strong team in T20 and win a title in next couple of seasons.
