USA Cricket Development Manager - Jamie Lloyd

Jamie briefed the league about the ongoing activities at USA Cricket. They are focusing on women's and Youth cricket. Pilot youth programs have been implemented in New York and other school districts around the country. They plan to add U13, U15 and U17 regional and zonal tournaments. ICC has developed a robust coaching program with the emphasis on American kids. Jamie is also closely involved in the Umpiring program. Raymond will coordinate with Jamie to bring the Umpiring Certification programs to CCL.

DYCA - Shiva Swaminathan / Rahul Magan

DYCA is heavily involved in promoting youth cricket in Colorado. They have participated in a couple of out of state tournaments and have seen marked improvement in the skill levels of the kids. They would like to be able to avail the cricket fields in Colorado on a regular basis. They

are also asking for a financial contribution from the league to promote youth cricket. Another way the league can help the kids is by providing year-round coaching assistance.

CricWorld – Roger

CricWorld supplies cricket equipment. They have purchased 40 acres of land between Denver and Colorado Springs and are in the process of building 3 cricket fields. One of them will be a turf wicket. They will be adding indoor and outdoor batting cages. Teams will be able to book the facilities online and it will be on a first come first serve basis.

IRA Vendor – Ari Shankar – www.irasportswear.com

Ari gave a quick demo of his ordering application, where customized uniforms can be ordered. Turnaround time is about 2-3 weeks and the cost is between \$32 and \$35 per set. Samples are available at the CricWorld store.

CACU Report – Rajdeep Dhaliwal

Rajdeep highlighted the work done by CACU and hoped some of the changes we are proposing will improve the running of the league. CACU will review the umpiring certification process and try to bring higher certification levels to CCL.

Financial Report – Shravan Kommu

CCL made about \$2600 profit this year. However, the trophies for the 2021 season have not been purchased yet. Those will be purchased and distributed at the start of the 2022 season. The new EC will take care of that. Detailed report was sent to the LMC earlier.

Team Colorado – Bodhayan Chakraborty

Team Colorado was led by Sumeet Khule. We participated in the LA Open tournament and performed beyond our expectations to make it to the Semi-finals. Bodhayan Chakraborty was declared the player of the tournament for his exceptional run with the bat and ball. All the players performed well given the fact that we were playing on turf wickets and in extremely hot and humid conditions. We should play more tournaments, especially in cities where the players can be exposed to USA Cricket scouts. We should also try to bring good teams to Colorado. CCL needs to increase the team's budget to support the players.

CCL Awards – Shravan Kommu

The awards list was sent to the LMC earlier. Congratulations to all the winners. LCC won the Premier League. FRCC won the T20 Division 1 and ABQCC won the Division 2 championship.

Officers

Proposal #14 from LCC

CACU and EC members should be accountable for their roles.

Result: **Since this needed more discussions, it will be taken up by the LMC.**

Proposal #15 from LCC and CSCC

Every club that has been a CCL member for 2 or more years needs to provide at least one nomination, **for any post** in CCL or CACU EC, if they have not held one in the last 2 years. If no nominations are received, based on that eligibility list, those clubs will be put in a hat and names will be pulled out.

Clubs that were pulled out of the hat will provide player/officer names.

We will also pull out **2 extra standby club names** just in case any of the clubs want to forfeit their turn with a \$1000 fee.

If the clubs do not provide names of players for those offices within 7 days after the AGM is held, a \$1000 fee to forfeit will be assessed, and another club's name will be pulled out.

If a CACU/EC officer resigns before the next year's elections are done and officers are elected, it won't be counted towards that club's participation in the league officers' positions. If that club provides a replacement for the same position, in that case it will be counted towards that club's participation in the league officers position for that season.

This proposal is only valid for CACU and CCL officers' positions. It is not valid for other committees like the bowling committee, disciplinary committee, Team Colorado selection committee, etc.

The EC needs to send out an email asking for nominations in LMC when someone resigns. If they don't ask for nominations, it will be assumed the officer's duty is completed and his/her club can be taken out of the pool.

Proposal passed by a 12-1 vote.

Result: Yes – FCCC, LCC, DDCC, CCC, CY, DCC, CCCC, CSCC, FRCC, RCC, BRCC, MCC
No – BCC
Missing – ABQCC

Proposal #16 from LCC (Withdrawn by LCC as disciplinary committee will take on the CACU workload)

CACU should have extra positions to support the President and VP for the weekly tasks.

Proposal #21 from LCC

Member names of the Team Colorado selection committee and the bowling committee should be there in the CCL website. These members should be selected every year at the AGM. Amended the disciplinary committee too. For this AGM, we will give 2 more weeks to decide this committee, if we don't get nominations, as it is the first time.

SUGGESTIONS / REMINDER

CSCC -: REMINDER

Implement the T10/RMSG tournament proposal that was passed in 2019. It expands the RMSG to 3 weeks, with initial games happening at 4 different venues and the playoffs happening in one week in the Springs.

CSCC explained that if all teams participate, each team will play 4 games at the regional level and a minimum of 2 games at the Playoffs.

DDCC - SUGGESTION

At least we should have one ground with less grass, where the ball can travel on the ground.
