### **Proposal#1 - Covid Guidelines**

League needs to outline COVID guidelines well ahead, so players can prepare themselves before they can start playing.

Result: **PASSED**: Unanimously

### **Proposal#2 - Vaccination -**

Every playing member should provide proof of vaccination to the club they play for. Clubs should send it to CCL-EC. EC should share the updated list on the league website so that umpires can cross check the list with playing XI. Players not in the list should not be allowed to play.

Result: *Retracted*

### **Proposal# 3 - CCL's jurisdiction over cricket matters in Colorado**

CCL EC and CACU should have the jurisdiction to investigate cricket-related incidents that happen in Colorado. If anyone is found to have breached our code of conduct, EC and CACU should be authorized to apply relevant penalties to such players. This will involve changes to our current code of conduct, which can be addressed by a separate committee.

Result: *Sent to LMC for further discussion*

### **Proposal# 4 - If proposal# 3 passes, should we investigate last year's dispute.**

EC and CACU should investigate last year's incident and apply penalties if applicable.

Result: *Sent to LMC for further discussion*

### **Elections:**

President: No nominations

VP: No nominations

**Secretary: Naval Bal (YCC)**

Treasurer: No nominations

CACU-President: No nominations

CACU-VP: No nominations

**CACU-Scheduler: Raymond Mascarenhas(CSCC)**

As we were not getting nominations, We need to put a proposal at LMC to get all clubs that have not held a CCL Office to be responsible to hold an office/position.

Gave each club a minute to say what they needed to for last year, this year, and anything else. CCB/DCC had left by that time.

Every club appreciated the current EC's efforts and are looking forward to playing cricket this season.
