Annual General Body Meeting - 2021

Jan 8<sup>th</sup>, 2022 10 AM to 2 PM MST

# USA Cricket Development Manager

Jamie Lloyd

# DYCA (Denver Youth Cricket Academy)

- Shiva Swaminathan

# CricWorld4U & IRA Jersey Vendor

- Roger

# CACU Report – Rajdeep Dhaliwal

# Finance Report - Shravan Kommu

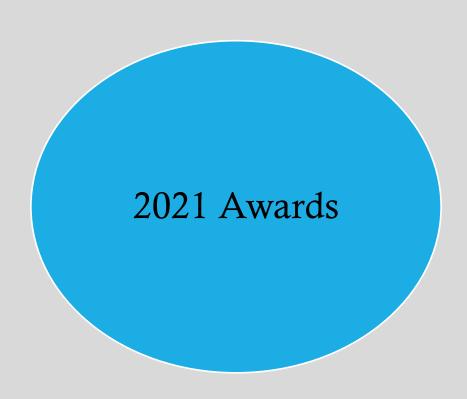

SUMMARY					
2021 Season Starting Balance	\$15,564.50	As of March 17th, 2021			
2021 Season Incoming	\$20,560.50				
2021 Season Expenses	\$17,893.72				
2021 Season Profit/Loss	\$2,666.78				
2021 Season Ending Balance	\$18,231.28	As of Dec 31st, 2021			

	OUTGOING	
EXPENSE ITEM	EXPENSE AMOUNT	EXPENSE FOR
MATCH BALLS/PRACTICE BALLS	\$8,880.00	Clubs
USA Cricket Insurance	\$1,820.00	Clubs
Insurance credits back to clubs	\$1,180.00	Clubs
TOTAL	\$3000.00	
TEAM COLORADO	\$156.00	Ground Practice Fees
	\$120.00	Independence Cup Umpires
	\$109.29	Independence Cup Trophies
	\$185.00	Practice Balls
	\$300.00	CA Tournament Registration
	\$1,000.00	CA Tournament - 1000\$
TOTAL	\$1870.29	
VIDEO REIMBURSEMENTS	\$1,125.00	Video Credits
ADMIN	\$43.43	Sec of State and Checkbook
MoM MEDALS	\$675.00	MOM medals
UMPIRING CREDITS	\$720.00	P40 Umpiring Credits
	\$160.00	L1 Umpiring Credits
TOTAL	\$880.00	<u>_</u>
RMSG	\$1,050.00	Fees
TOTAL	\$370.00 <b>\$1420.00</b>	Balls
IOTAL	ψ142U.UU	

INCOMING					
INCOMING ITEM	INCOMING AMOUNT				
MATCH BALLS/PRACTICE BALLS	\$10,785.5	CCL EC has 112 balls to be used in 2022			
USA Cricket Insurance	\$400.00	\$2600 was collected in 2019. All credits given back to clubs. CCL does not have any insurance money balance.			
CCL/Tournament Fees	\$4,125.00	<u>Used for:</u> Team Colorado Admin, MoM medals.			
CACU Fees	\$1,400.00	<u>Used for:</u> P40 Umpiring Credits L1 Umpiring Credits			
2021 Fines	\$2.430.00	To be budgeted and used for 2022			
RMSG	\$1,420.00	CCL has no balance.  Money collected from clubs and given to  CSCC.

Bodhayan Chakraborty - LCC	Match Reports

#### **UMPIRING**

#### BCC - Proposal 1:

During playoff games, assign umpires from the other Division. Will eliminate conscious and subconscious bias.

<u>CACU - Proposal 32:</u> Umpiring Report should be mandatory, and the umpiring team will be fined \$25 in case of failure to submit the report. Reason: The report will help CACU have necessary information in a timely manner and to make an informed decision related to the match. We have been in situations where umpires have not submitted reports (as they were not mandatory) and teams have appealed the penalties. In such cases we are at a loss to decide if there were genuine delays or offenses. We feel the umpire's responsibilities don't end when the match is completed. Their responsibility should include letting CACU know the incidents that happened in the match. The fine needs to be looked at, as payment withheld for not finishing the job.

**RCC - Proposal 8 :** T20 umpires fee to be raised to \$40 a game and P40 umpires to be paid \$80 a game.

#### CACU - Proposal 33:

All umpires (including L1 certified umpires) should be paid the same.

Reason: We have been paying L1 certified umpires extra from CACU's budget. We feel this is unnecessary and unfair, as we've not had a L1 umpiring clinic for some time now and the money can be used for some other purpose

#### LCC - Proposal 24:

One of the biggest issues is getting people to umpire, if we increase games, that's also increasing umpiring. Propose to either self-umpiring or maybe double payment and only have 1 umpire, and self-umpire square leg. So have one impartial umpire come, get paid \$100.

#### **GAME RULES**

LCC - Proposal 18: In T20, at the fall of a wicket, the new batsman is expected to take strike within 1 and half minutes. Our Game rule doc says the new batsman is expected to take strike within 2 minutes. 2 minutes is for P40 and 1 and half minutes should be for T20, respectively. Align with ICC rule for T20

<u>LCC - Proposal 19:</u> Bowling committee can proactively look into the bowling actions and recommend CACU to suspend a bowler if they see the action of that bowler is suspicious. We can use video recording for evidence.

RCC - Proposal 11: Match timing should be calculated as 5 minutes per over instead of 4.5 minutes per over. Break time for T20 innings after 10 overs should be no more than 5 minutes. Innings break still be of 10 minutes.

Reason: This way the full T20 match should finish within 220 minutes instead of 210 minutes as per old calculation. This suggestion is based on the international standard of 4.25 minutes per over. Same timing for p40 match as 5 minutes per over. Breaks after an hour or so should be no more than 5 minutes and innings break no more than 30 minutes. New timing of the match will be 450 minutes instead of 430 minutes. 4.5 minutes per over is aggressive based on our league's fitness standard as compared to international standard and past few years record data shows having this standard has not helped the game as much as the % of fines collected.

<u>LCC - Proposal 22</u>: Like P40, start the T20s from May to September at 9 AM. If there are two games at the same ground, the second game should start at 1 PM.

LCC - Proposal 17: Remove CCL wide ball exception and follow ICC rule for wide balls.

<u>CSCC - Proposal 25:</u> Wide line moves with the batsman

#### **SCHEDULING/FORMAT**

#### DCC - Proposal 31: Remove divisions in t20

Reason: So that everyone will get an opportunity to face good players or good teams. We can seen teams that India and pakistan have faced teams like scotland in last 120 wc. Removing divisions will help lot of players to participate actively for their respective teams and it will be a booster for new teams to join the league.

<u>CY - Proposal 4:</u> Same format as what we have this season - IPL style playoffs for division champions, but no additional games for teams not in the top 4 bracket.

<u>Reason</u>: Intention of following proposal is to finish the T20 season by end of Sep or earlier. Weather, availability of players and umpires (may not be applicable to clubs having strong bench) are unpredictable as we get into Oct. Should provide plenty of room to schedule Premier, CTCL and matches postponed due to weather.

<u>LCC - Proposal 23</u>: Increase t20 division 2 regular season games to 14, regardless of number of teams.

<u>Reason:</u> In the interest of continuing to expand the amount of registered players in Colorado and for the current players to get the most out of the season we should look at all possible ways to increase the amount of games for division 2. The goal of division 2 should be getting out when possible to enjoy cricket and encouraging new players to join, get a chance and develop.

<u>Plan:</u> The scheduling should start with the schedule for each team playing each other once, and make sure the split of the home and away games is achieved, then add the extras based on a random drawing and ground availability. An attempt will be made to have an even amount of home and away games for these extras, but if not possible, the ability to get more games should supersede the need for an even number of home and away games.

If there is a problem scheduling these games, the 3 weekend t10 tournament should be removed, t10 does little to encourage inclusion and player development due to the lack of opportunities in the shorter format.

Another option for increasing available weekends would be to schedule div 2 t20 the same day/weekend as p40. The idea being that the majority of p40 players come from div 1, and if there is a conflict, the div 2 player can choose to play p40 and that would give someone else an opportunity in t20 div 2.

<u>CSCC - Proposal 27</u>: A two-day test match will be held at the end of the season. Interested players will be selected from a pool to make two or four teams and one or two games will be scheduled. New balls will be taken at the end of 40 overs (from each end).

<u>Reason</u>: Given the long summer Colorado has, it can be played with 4 sessions- with each session having 40 overs of cricket. It's basically playing 2 p40 games back to to back with 2 innings from each team. Every 40 overs on each end, a new ball will be taken. To start of with, say the interested pool of players are 30-40 based on the number, we can form teams and have games in a round robin fashion, and the finals which can be done in a month span given the climate. If we can make this feasible and get this set, we can actually have two days of pure cricket and experience this game in a next level.

CCC - Proposal 36: 2 playoff matches should NOT be played same weekend.

Reason: Tiresome to play 2 difficult games on consecutive days. We experienced this season by playing Eliminator and Semi-finals on consecutive days.

#### **CODE OF CONDUCT**

#### CACU - Proposal 34:

Create a disciplinary committee of 5 members to investigate all disciplinary/code of conduct violations reported by the umpires or captains.

#### Criteria for qualification:

- 1. Has been an active player or administrator in Colorado Cricket League for at least 3 years.
- 2. Has no Level 1, 2 or 3 offenses or unofficial warnings against him in the past 2 years.
- 3. The committee cannot have more than one member from the same club.

#### Structure of the committee:

Chairman, Vice-Chairman & Three other members. They will have a one year term and will be elected at the AGM.

#### Purpose of committee:

- 1. With increase in number of divisions and teams, CACU is overloaded with daily league work, and this will help offload.
- 2. It will allow an independent committee and process to decide code of conduct violations and penalties.

#### Role of the committee:

- 1. The committee will be responsible to update the current Code of Conduct before the start of the season.
- 2. The committee will not be looking for code of conduct violations proactively but will act based on Umpire and Captain reports and incidents reported.
- 3. Once the incidents or code of conduct violations are reported by Umpires or Captains, those will be forwarded by CACU/EC to the committee who will then be solely responsible for the final decision made on the penalties/fines etc.
- 4. It will work independently and directly with the captains, umpires and whoever needs to be a part of the investigation before coming to the final decision.
- 5. The committee can work with CACU, and EC as needed.
- 6. If any of the committee members are a part of the team/club who were part of that match reported (playing teams or umpires), they will be sitting out of the investigations and decision making to avoid conflict of interest.

#### CACU - Proposal 35: (Only if Proposal 34 does not pass)

Set Up a committee to update the CCL code of conduct document.

Reason: This is already addressed in Proposal #34 (Role of the committee). We are putting it separately just in case proposal #34 does not pass. The CCL code of conduct is limited in its reach. We found many situations that would have been an ICC code of conduct violation but were not addressed in our code of conduct. As we are trying to align with the ICC rules and regulations, we can use the ICC code of conduct as a reference and update our Code of conduct to meet our league's needs and situations.

#### LCC - Proposal 37:

Proposal: Captains should be able to report chucking and disciplinary issues to CACU. As per the current rule, only the umpires can report about the chucking and disciplinary issues. We want this to be expanded to captains as well, especially now that video evidence is more easily available.

Reason: We have seen multiple times that the umpires don't want to report something to CACU. Most of the time, the reason is, the guilty person is a friend of the umpire.

#### LCC - Proposal 13:

CACU should send all the disciplinary issues to the LMC instead of informing only the guilty players/teams in their ears. The league should know who all are getting punished and for what offense. Everyone should be aware of this. CACU didn't share this for 2021.

#### **OFFICERS**

#### CSCC and LCC - Proposal 15:

Every club that has been a CCL member for 2 or more years needs to provide at least one nomination, for any post in CCL or CACU EC, if they have not held one in the last 2 years. If no nominations are received, based on that eligibility list, those clubs will be put in a hat and names will be pulled out.

Clubs that were pulled out of the hat will provide player/officer names.

We will also pull out <u>2 extra standby club names</u>, just in case any of the clubs want to forfeit their turn with a \$1000 fee.

If the clubs do not provide names of players for those offices within 7 days after the AGM is held, a \$1000 fee to forfeit will be assessed, and another club's name will be pulled out.

If a CACU/EC officer resigns before the next year's elections are done and officers are elected, it won't be counted towards that club's participation in the league officers' positions. If that club provides a replacement for the same position, in that case it will be counted towards that club's participation in the league officers position for that season. This proposal is only valid for CACU and CCL officers' positions. It is not valid for other committees like the bowling committee, disciplinary committee, Team Colorado selection committee, etc.

The EC needs to send out an email asking for nominations in LMC when someone resigns. If they don't ask for nominations, it will be assumed the officer's duty is completed and his/her club can be taken out of the pool.

#### LCC - Proposal 14:

<u>Proposal:</u> If the CCL President observes that a CACU or EC member is not performing his/her duty diligently, the CCL president should be able to dismiss him/her from his position. If the CCL President does not perform his/her duty diligently, CCL LMC should be able to dismiss the President. To dismiss the President, 2/3 of the LMC should vote in favor of dismissing the President.

The roles of all the officers are documented at <a href="http://coloradocricket.org/cclofficers.php">http://coloradocricket.org/cclofficers.php</a> and at <a href="http://coloradocricket.org/documents.php?documents=1&ccl\_mode=1">http://coloradocricket.org/documents.php?documents=1&ccl\_mode=1</a>. It should never come to a point that an officer has to be fired by the President or LMC. That officer should resign from his position if he cannot justify his election. If an officer is fired or resigns before his tenure is ended, it won't be counted towards that club's participation in the officer's role. If an officer is fired by the President, he/she can appeal against that in LMC.

Reason: CACU and EC members should be accountable for their roles.

#### LCC - Proposal 16:

CACU should have extra positions to support President and VP for the weekly tasks.

Reason: With an increasing number of teams and games, it is getting difficult for CACU to manage everything on a weekly basis. Another helping hand won't cause any harm.

#### LCC - Proposal 21:

Member names of the Team Colorado selection committee and the bowling committee should be there in the CCL website. These members should be selected every year in AGM.

#### **GROUNDS**

#### **DDCC - Proposal 5:**

BOLTZ ground should not be considered as an official ground for CCL matches, until they extend the pitch dimension issues.

#### **Problems:**

- 1. Only FCCC batsmen or any teams who used to that ground are able to bat and bowl with less distraction. As DDCC we struggled a lot to adopt the narrow width pitch conditions
- 2. When we(CCL) are following international standards, every ground should have a pitch with standard dimensions
- 3. The pitch is lower than the grass level, which is not good for bowlers.

#### **DDCC - Proposal 6:**

Exclude "Longmont" and "BOLTZ" grounds from the "Play-offs".

**Problems:** Play-offs should happen under proper ground conditions. When we (CCL) are following international standards, we need to consider the pitch and ground dimensions, otherwise it'll be like a regular local leagues

#### CSCC - Proposal 26:

Playoffs to be played at proper grounds - no Longmont or Denver cricket ground

#### **AWARDS**

#### LCC - Proposal 12:

Separate Player of the Week award for T20 div 1, T20 div 2 and Premier. Currently only one player for all the divisions/leagues gets award

#### **MATCH BALLS**

#### BCC - Proposal 2:

Red ball for premier. No reason, just for fun, nostalgia, change just for the sake of change etc.

#### YOUTH CRICKET

#### CSCC - Proposal 28:

Proposal: Add an informal youth cricket program. CCL can bear a one-time expense to provide youth kits for the program.

Reason: Most of our players have children or have friends with children that may want to play cricket. This proposal will be a first step in getting the children a proper exposure to cricket.

Implementation: Each club or team will create a youth team with players in the age group 5-15. The club can have its own practices and training program for these kids. Once every 2 months (three times a year), the youth team will play a short game prior to a T20 game between two CCL teams. If a club is not able to create a youth team, they can join with one or more other teams

As an example, if LCC-Lions are playing CSCC-Stars at 10 am at Cornerstone, then at 9 am a Lions Youth Team will play a 5/6 overs game against Stars Youth Team. Similarly, there will be games at all the other grounds an hour prior to the CCL game.

#### **FINANCE**

LCC - Proposal 20: Increase budget for Team Colorado.

Reason: As we have more clubs now in the league should be able to increase the budget.

#### **SUGGESTIONS/REMINDERS**

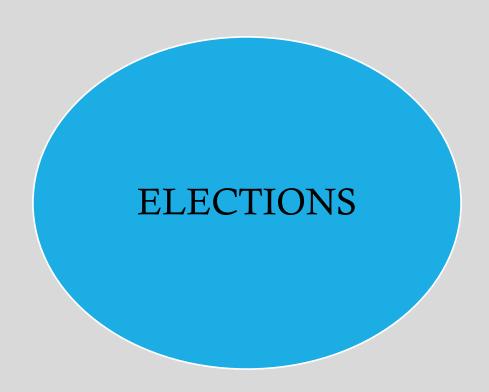

#### CSCC - Proposal 29: REMINDER

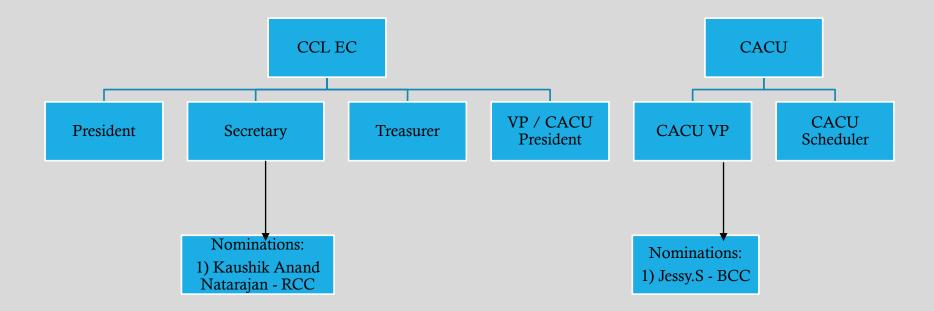

Implement the T10/RMSG tournament proposal that was passed in 2019. It expands the RMSG to 3 weeks, with initial games happening at 4 different venues and the playoffs happening in one week in the Springs.

#### **DDCC - Proposal 7: SUGGESTION**

At least we should have one ground with less grass, where the ball can travel on the ground.

In Colorado, the batsmen don't have value when they are playing ground shots, they are forced to play shots in the air (really pathetic situation) and also most of the players forget to play ground shots, since the ground shots will not add much value to the player and also to the team. In this situation our players can't perform well when they are supposed to play in the grounds like LA. Please refer to the semi-finals we played in LA, how the Colorado team played vs the opponent. Requesting CCL to find some grounds with Indian or LA ground conditions. At Least with less grass level grounds.

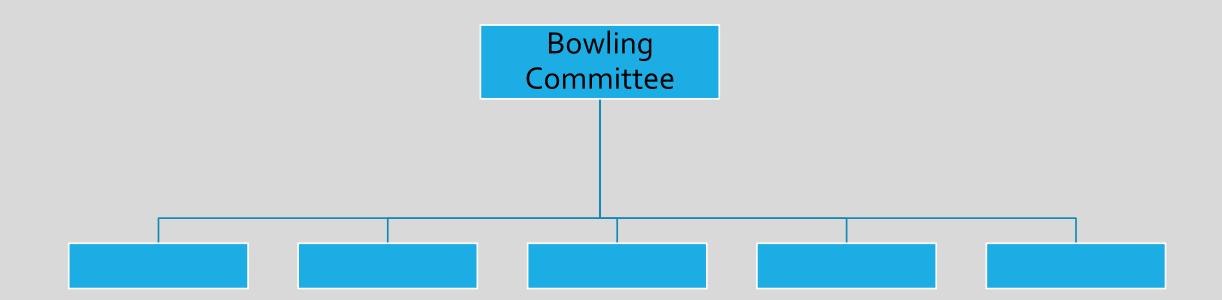

Team Colorado Selection Committee

#### **Current Officers:**
